Testimonials

I would like to thank you and all the staff for a very memorable reception for my son and daughter in law's wedding. We had family from Scotland, Australia, USA and Ireland. Everyone sang the praises of your hotel.
Once again, thank you."
Gerard Tunn, April 2010

“To all the staff at the Castle Oaks House Hotel. We would like to thank you for making our day so special, we enjoyed every minute of it.”

“Just a note to say a big thank you to you all for the wonderful day we had at the wedding of my daughter. Everything was A1. The feedback from all the guests was excellent. The food & the service was superb. Keep up the good work.”

“We just wanted to say a huge thank you again for all your help in planning our wedding. We had a brilliant day and everything went perfect. The hotel was brilliant & the food and the service were fantastic. Everyone praised it highly.”

“I just want to thank everyone in the Castle Oaks for giving us such a great day on the 21st January. The venue, the service, the food was piping hot on every table not just the top table and the amazing treatment Andrew and I received from your staff were exceptional. Please feel free to share my thoughts with potential customers as there is absolutely nothing I can fault you on.”

"On behalf of Patrick and myself I would like to say a massive thank you to you and all the staff of the hotel for making our wedding day such a spectacular and magical day. The days before hand and on the special day nothing was a bother and it all went without a hitch and ran perfectly for us and everybody involved in the wedding. The service, the food, everything and yourself and your fellow colleagues were fabulous and I would highly recommend you and your team to many of our friends and family who are getting married."

Say thank you for everything you did to help organise our wedding celebrations in the Castleoaks, both leading up to and on 3rd January itself. Everyone was raving about the food, the service and the general atmosphere in the hotel. Many many thanks to you and everyone else there for making it so special. We couldn't have asked for anything better.

Best regards, Shauna & Séamus

The staff was so courteous and considerate and all of the guests remarked on the quality and generous portions of food. Particular attention was paid to me as I do not eat wheat or dairy and I was asked at each course if the food was all right for me and if I would like anything else. Overall the experience of having my daughters wedding reception in Castleoaks Hotel was a joyful and happy one and our visitors from Wales enjoyed themselves very much
